

ALL STUDENTS' CLUB

All Students' Club is composed of students of the University of Tennessee. The club is a non-profit organization and its purpose is to promote the welfare of the students of the University. The officers of the club are as follows:

President -- William Roberts
Vice-Pres. -- Elwood Hart
Sec.-Treas. -- John Lindburg

All Students' Club has not been very active this year because of lack of money. There is a problem before the club as to how to raise money. Each member has been asked to sign a statement expressing his or her willingness to pay twenty-five cents at the beginning of each quarter for the necessary expenses. No one is compelled to sign this petition. This money will be used for entertainment and promotion of All Students' Club functions.

THE FRESHMAN CLASS

When election of officers for the Freshman Class was mentioned this quarter, there was quite a lot of excitement on the campus. It is noted that there were two very prominent young gentlemen to be considered for president: Mr. Virgil Luck and Mr. Lawrence Jones. After several inter-collegiate speeches the class met for the election and the results were as follows: Mr. Luck, President; Mr. Eugene Lee, Vice-President; and Miss Sue Tinker, Secretary and Treasurer. A few days later Mr. Luck called a meeting of the class and Mr. "Pop" Cravens was elected class sponsor.

Mr. Luck is glad to announce that up until the present time the Freshman girls have been successful in the literary contests.

THE SOPHOMORE CLASS

The Sophomore Class had their first meeting on October 23, 1933. The following officers were elected:

President -- Art Leary
Vice-Pres. -- Charlie Dickson
Sec.-Treas. -- Albert Jones

Mr. Leary has selected as sponsor of the class. The class met for a meeting on October 23, 1933, and the following officers were elected:

KARAOKE DANCE

On October 30, 1933 the doors of the Girls' Dormitory were thrown open to the public and the students of the U. of T. were invited to a Karaoke Dance. The dance was a great success and many students participated. Much money was raised and the event was a great success for all.

THE ORCHESTRA

The U. of T. Orchestra, under the direction of Mr. Ottis Parrish, was organized during the early part of this quarter. The orchestra has been organized for regular practice periods.

Mr. Parrish is a very enthusiastic over the orchestra, not only because of the large number of members, but also the dependability of the group.

The entire personnel of the orchestra follows:

Violins -- Maurice Smith, Ben Rowlett and Mr. Parrish, Director.
Saxophones -- Larry McDunn, Charles McCoy and John Gardner
Clarinet -- Levojoy Whitcomb
Trumpet -- Harold Hoffman
Drums -- Kenneth Stephens
Banjo -- Charlie Denson
Vocalist -- Herbert Dodd
Pianist -- Martha Ellis

Several new popular registrations have been purchased recently and are now being used. The orchestra gave a program in chapel on Wednesday, November 29. At a recent meeting the following officers were elected for the year:

President -- Theron Bracy
Vice-Pres. -- Levojoy Whitcomb
Secretary -- Martha Ellis
Treasurer -- Lawrence McDunn

THE UNIVERSITY OF TENNESSEE JUNIOR COLLEGE AGRICULTURAL CLUB

The Ag. Club has had a successful fall quarter. We have a large enrollment of students in this club. All who are taking agriculture are members. There are a few, however, who will not attend regularly because they live in neighboring towns or in the country and cannot attend night meetings. Mr. Gattis, Claxton, and Cravens are honorary members and meet with the club regularly. At the beginning of the year the club voted to have meetings bi-monthly. This plan was adopted to assure better and better programs and to divide the time with other clubs on the campus. Many of the members belong to the Junior and Lady Saving Clubs.

This article would not be complete without mentioning three members of the club who have worked hard in preparing the program. Vice-President Leary, Dan Weston, and Bracy have formed the programs and provided good entertainment. Aside from the program, we were permitted to have a dance that is foremost in agriculture in Winkley County and perhaps West Tennessee. This man is County Agent Ellis. The Ag. Club acted as host during a joint meeting of the Ag. and Home Ec. Clubs, the purpose of this was to offer a rule to the girls in preparing for their dance. Most of the boys did help with the decorations.

For several weeks all have been preparing and planning for Thanksgiving (Continued on Page 4)

THE FACULTY AND SOPHOMORE SOFT BALL
GAME, AS IT MIGHT HAVE BEEN BROADCAST

(Continued from Page 1)

This is station H-O-O-E-Y bringing to you a play by play description of one of our great national sports -- and speaking of sports, ladies and gentlemen -- if you want to be a sport among sports -- a leader among men and the hero of every occasion -- you will please your guests by serving that most delicious and positively delightful drink ever manufactured -- a ravishing and refreshing drink of America's national beverage -- the Foola Frosha -- served both in bottles and at all leading soda fountains -- we return you now to the scene of the big game.

Ladies and gentlemen, we are about to witness one of those thrilling events that occur only once in a lifetime -- Whata setting -- whata a glorious night -- the moon can be seen creeping up with its uptilted crescents like the lips of a beautiful debutante -- and speaking of debutantes they are here tonight -- giggling, glorious, glamorous -- to cheer on those sturdy lads who are matching their strength and stamina against -- Hello Kirk, ladies and gentlemen -- my old friend Kirk Grantham has just stepped into the booth and I am going to ask him at the close of this game to give you his impressions of this vast spectacle of sport, of this classic of collegiate color and confusion -- I don't know what it's about but there is some confusion down there -- the players are huddled together -- I'll let you know in just a moment as soon as I can get a report -- ladies and gentlemen, the soft ball championship challenge event between the Sophomores and Faculty of Northwest University of Martin is over -- and the score is 20-7 in favor of those green and gold Sophomores -- stop right in Kirk and give your impressions of this thrilling tremendous tie-up of teams -- Whata a game, whata night -- ladies and gentlemen my good friend, Kirk Grantham.

HOME ECONOMICS CLUB REPRESENTED AT
THE ANNUAL MEETING OF WEST TENN.
EDUCATION ASSOCIATION
(Continued from Page 1)

The meeting adjourned to be convened later at the Hotel Gayoso where the delegates were served with a turkey dinner. Miss Boulah Carl presided. At this time the representatives of the Home Economics Clubs made their reports. After a beneficial talk on suggestions for "Student Clubs" by Miss Margaret Browder, State Supervisor of Home Economics, the meeting adjourned.

and Mr. Ottis Parrish, Director gave five popular pieces as follows:

1. Who's Afraid of the Big Bad Wolf
 2. Under a Blanket of Blue
 3. I'll be Faithful
 4. Thanks
 5. The Song of the Islands
- in chapel on Wednesday, November 29.

SOROSIS

The Sorosis is the sister club to the Junto. The first Sorosis was founded about twenty years after Benjamin Franklin founded the first Junto.

The Sorosis of the Junior College held its first meeting for the year of 1933 on November 27 in the Library for the election of officers. The following were elected:

President -- Maurine Smith
Vice-Pres. -- Juanita Corbitt
Sec.-Treas. -- Virginia L. Parrish
Sponsor -- Mrs. C. E. Gatlin

Chairman of the Program Committee was Zora Shofner and Chairman of the Social Committee was Evelyn Williams.

The next meeting will be on Dec. 12 at the Girls' Dormitory with the presentation of the following program:

Trio: Piano -- Martha Ellis
Violin -- Maurine Smith
Saxophone -- Imogene McDorman

Talk: Introduction by Zora Shofner of some recent novels available at the library.

Reading: Evelyn Williams
Tap Dance -- Alyce Woods.

THE PEP SQUAD

The Girl's Pep Squad is a group of girls organized to promote school spirit and loyalty to the University. The members are chosen on the basis of enthusiasm, scholarship and general initiative.

The first meeting of this year was held Oct. 13 with the President, Verna Glasgow, presiding. It was decided that the club should remain in existence although the membership is small. Plans were made for the year.

THE DEBATING CLUB

The Debating Club has had some interesting programs this year. Each member seems to be taking an active interest in.

The first contest of the season was the women's Tennis tournament. The Freshmen won both singles and doubles. Miss Catherine Freeman defeated Miss Elizabeth Jones 6-3, 6-0 in the singles. Misses Anita Vogt and LaNell Wright defeated Misses Edris Craddock and Signa Holland 8-6, 6-1 in the doubles. This defeat was reversed when the Sophomore men defeated the Freshmen men in a fast speedball game. The score was Sophomores 12, Freshmen 11. The Freshmen women came forward again with a storry kickball team and defeated the Sophomores 46-33. The Sophomore men defeated the Freshmen men in kickball 22-13. The Faculty challonged the winners and defeated the Sophomores 32-12. The Sophomore women seemed to have a hard time with the Freshmen when they lost the Speedball 4-1 and Indoor Baseball 23-11. The Freshmen men were unable to to meet the stiff fight of the Sophomores

MARY VICK BURNETT ** HER COLUMN

We challenge the nonchalant view of the value of training for parenthood expressed by Margaret Calkin Banning in "What a Young Girl Should Know" in the November Harper's. Would she dismiss C. L. 151 and 255 with a shrug and a mere "perhaps"? In other scores we compliment her article.

"Sideshow" or "Big Top"? Shall creative achievement be sacrificed to lessons for tea? And if not, why not? Read Fern Babcock's answer in The Inter-Collegian, November 1933.

Have you read Connolly's "Green Pastures"? Or have you been so lucky as to see it on the stage? God in their own image is "de Lawd" of the simple negro folk, and the gentle humble "Yos Lawd" one hears in "The Green Pastures" as this story of Genesis unfolds, and the joy and the glory in the face of the God of Mercy as the final curtain falls, will linger long in one's memory.

The South Carolina coast negroes, with their Gullah dialect, give us another story of the First Book of Moses in "Black Genesis", and closely akin to this bit of lore of an alien race are the tales which "Uncle Remus" told "the little boy".

In welcoming a new edition of Stockton's "The Casting Away of Mrs. Leck and Mrs. Aleshine", William Lyon Phelps, in a recent Scribner's calls it one of the most original novels ever written. We have often suggested this morsel as the first literary tid-bit for a convalescent. For some good hearty laughs you could not go to a better source.

The two "best sellers" recently given the library are still going strong. Gladys Hasty Carroll's "As the Earth Turns" rivals in popularity that recent best of the best, "The Good Earth", and "Van Loon's Geography" is making Olympians of us all. Page Mr. Everett Dorrberry!

Familiar quotations:

1. "I've read it, of course, but I need a synopsis to refresh my mind."
2. "Just anything. I have to have six references."
3. "If you folks want to study together, just go into one of the conference rooms."
4. "I'd like something short and to the point."
5. "Put my name on the card, too. Miss Carl might look at it."
6. "What -- no short biographies left?"

ATHLETICS FOR ALL

(Continued from Page 6)

men. In a fast tag-football game which almost proved disastrous to the Sophomores the Freshmen made their best showing. This game was the most outstanding event of the fall. The score was 6-0 in favor of the Sophomores. The Freshmen threatened to score several times but both teams lacked complete cooperation when within scoring distance. The Sophomores made the only score in the last three minutes when Roney followed Bracy, Cunningham, and Mullins, who gave perfect interference around left end for ten yards and six points. The Sophomore men under Captain Sharp dealt the Freshmen a terrible blow when the Sophs defeated the Fresh in Indoor Baseball 37-11. They also beat the score with the faculty by defeating the Faculty 20-7.

For the fall sports there are only five events remaining. Wednesday, Nov. 29, at 4:00 p. m. Men's Soccer; Friday, December 1, at 3:00 p. m., Women's Hockey; Monday, Dec. 4, at 4:00 p. m., Cross Country; and Dec. 14, at 7:30 p. m., Women's Free Throw; 8:00 p. m. Men's Free Throw.

The cross country will be the most interesting event. It is a three mile run and both classes are training hard. The Sophomores have 19 entries and the Freshmen have 23.

For each event won five points are added to the score of each class; the loser is given three points. At the end of the year the points are added and the class having the highest score is given an Intramural Loving Cup. At the present time the Freshmen have a lead of 37-35.

HOME ECONOMICS DANCE

One of the outstanding social events of the season was the Halloween dance which was given by the Home Ec. Club on October 28, 1933. The dance was given in the Physical Education Building. Halloween decorations of corn stalks, pumpkins, ghosts and other numerous things which go to make up Halloween were scattered about the building. The students and faculty wore costumes and every one wore masks, a very happy idea, for it enabled the girls to get a "rush" at the beginning of the dance, which they would not have accomplished otherwise.

Music was furnished by the Dyessburg Orchestra, and every one raved at length about what good music the Home Ec. Club had at their dance.

One of the main features was the fortune teller who made many a young maidens heart light and all the boys drew a sigh of deep satisfaction at the things that were told to them by her. However, the joke was on them, for after the dance each one learned she had told them all the same thing.

(Continued on Page 8.)

HOME ECONOMICS DANCE (Continued from Page 7)

Refreshments were served throughout the dance. They consisted of cider, cookies and stick candy all in keeping with Halloween.

The guests gathered up their balloons masks and a few extra ginger cakes and journeyed home about 12 o'clock. Every one had a lovely time, and we wish to express our appreciation to the Home Ec Club for sponsoring such a grand and glorious dance.

NURSERY SCHOOL PARTY

The children of the Nursery School entertained their mothers and a few friends on Tuesday, November 27, at the Home Economics Building. Games and favors carrying out the Thanksgiving idea were enjoyed by: Milton Downing, Clarence C. Cravens, Beverly Brooks, Sabella Jackson, Jimmie Cushing, Jerry Freeman, Patty Hall Parker, Mary Elizabeth Freeman, Martha Lou Grantham, Peggy Joan Taylor, George Willis Wilson, Connie Pat Freeman, Jacqueline Glass, Donald Walker and Ellen Thomas Fitts, Mesdames: O. W. Freeman, Pauline House, Lexie Walker, J. E. Cushing, M. D. Downing, Hillary Freeman, H. K. Grantham, Lent Hynds, Joe Freeman, John Glass, and C. C. Cravens.

Misses Mary Hazael Little, U. T. J. C. '30-'31, Mary Warren U. T. J. C. '32-'33, Louisa Waggoner, U. T. J. C. '30-'31 and Miss Carl assisted Miss McFee in entertaining the nursery school children and their guests.

AG CLUB DANCE AFFORDS PLEASANT EVENING

The Thanksgiving dance sponsored by the Ag boys was a great success.

The gymnasium was beautifully decorated with hay, cotton stalks and with hoes, rakes and other farm equipment.

A large crowd attended the dance. Music was furnished by the Silver Leaf Orchestra.

The striking decoration of the dance floor was proof enough that the Ag boys can do things other than farm.

MISS CARL ATTENDS MEETING OF W.T.S.T.A. IN MEMPHIS

Miss Beulah Carl, who was re-elected Vice-president of the Home Economics Division of the West Tennessee State Teachers Association, presided at the luncheon for teachers of Home Economics at the Hotel Gayoso in Memphis on November 24. At this luncheon, the Home Economics Club representatives made their reports. Jean Heidolburg and Anita Vogt representing the Junior College Home Economics Club attended this luncheon with their mothers.

LOAFER JUNIOR

We hear that Percy Henry was visited by some of his people last Sunday.

"Moon" Mullins had better take boxing lessons if he's going to be seen with "Bethel Springs". She packs some wallop in her trusty right.

We notice that Liz is in competition with a "Rose Bud". Look out for them! We hear Mr. Lyon lost a mop. We word it?

Zora's technique evidently didn't suit Brinkloy.

Now that Miss Caldwell eats at the Dining Hall, Mr. Stanford's ability as a conversationalist is steadily improving.

Henry's motto is "Love 'em and leave 'em," but it is a long walk.

"Dodd, Damit" you'd better watch your stop because Ridgely boys are "tuff".

Skinny evidently is trying to salt Tinker down until after Thanksgiving.

It would be just too bad if Martha Ellis brought all of her possessions to school. Everyone else would have to move out.

Jean, you had better watch your stop or a certain town girl will get ahead of you.

What did the boys want with a ladder last Friday night?

Anita, why do you take walks alone at night?

It doesn't pay to sleep late at the Boys' Dormitory, does it Jones?

What about those boys that do the "hula hula" dance in the Library?

We wish to take this opportunity to give our sincere sympathy to Tinker in the death of her beloved bird.

Cap Freeman, when are you going to forget your high school days?

We wonder why a certain Freshman boy has taken such an interest in a certain upperclassman.

Why is Martha Ellis always late to Orchestra practice?

Virginia why do you prefer Dr. Schmidt to give Chemistry exams?

It seems that under the bed is the best place to hide at the Boys' Dormitory

 Harold: "Both"

Mr. Woods: "What is the difference if I subtracted seventy-nine from twenty-three?"
 Brinkley: "Yeah, I think it's a lot of bunk myself!"

Mr. Gatlin: "Give me an example of the fitness of a name to the thing to which it is applied".
 Goff: "An orange, sir. An Orange is orange in color, it has the shape of an orange, the taste of an orange, and it is really and truly an orange, as its name would lead you to expect."

Dr. Schmitt: "Whats a vacuum?"
 Bracy: "I have it in my head but I can't think of it just now."

Elizabeth Jones -- "My goodness, Henry! What if I did tell Elizabeth that you looked like a monkey? You know how crazy I am about animals."
